## 8mm and Super8 Film Transfer to DVD:

	Price
8mm or Super8 - Silent	\$0.20 / foot
8mm or Super8 – With Piano Soundtrack	\$0.25 / foot
- One title for every 200 feet of film - Additional titles	\$1.00 each
Additional DVD copies – at time of order	\$6.50
Additional DVD copies – after time of order	\$8.00

There is a 200 foot minimum charge for 8mm and Super 8mm movie film transfers

You can provide your own soundtrack or **DigaPix** will add a soundtrack performed by Portland Oregon pianist Sally Harmon. You can preview and select your soundtrack choices by visiting Sally Harmon's complete collection at: <http://www.sallyharmon.com>

## Video Transfer to DVD:

Video Formats supported:

VHS	VHS-C	8mm
Video8	Hi8	Digital8
miniDV,	miniDVD	HDV

	Price
Tape Transfer to DVD - 2 hour DVD Include 2 tapes of the same type Add 3 <sup>rd</sup> tape to DVD	\$22.00 ea. \$10.00
Additional DVD copies – at time of order	\$7.00
MP4 video files of DVD material ** (at time of transfer to DVD)	\$15.00 ea.
HDV Video to HDD or USB Flash Drive	\$25 per tape
- Blu-ray Disk at time of HDV transfer	\$40 per disk
Blu-ray Disk of HD video	50.00

Up to 2 tapes of the same video format can be combined on one 2 hour DVD. Different video tape formats cannot be combined onto the same DVD. A 3<sup>rd</sup> tape of the same format can be added to the 2 hour DVD for an additional \$6.00.

\*\* MP4 video will be delivered on data DVD-ROM disks or flash drives. MP4 files can be transferred to customer supplied empty hard disk drives or flash drives or **DigaPix** can supply them for an additional cost. All flash drives will be formatted using the NTFS format. Apple's macOS can read from NTFS formatted drives, but **can't** write to them.

For customers wishing MP4 files only the cost will be the same as the tape transfer to DVD price of \$20 per 2 hour DVD

Each DVD includes chapter marks at regular intervals.

## Memorial Videos and Custom Video Editing:

Great for memorials, graduations, birthday parties, weddings.....

	<b>Bronze 5 min. show</b>	<b>Silver 10 min. show</b>	<b>Gold 20 min. Show</b>
<b>Number of Pictures</b> Scanning fee included	<b>Up to 50</b> included in price	<b>Up to 100</b> included in price	<b>Up to 200</b> included in price
<b>Additional Pictures</b>	\$2.50	\$2.25	\$2.00
<b>Video Segments</b>	\$5.00 per segment	\$4.00 per segment	No Charge
<b>Title Screens / subtitles</b>	5	10	No Limit
<b>Additional Titles/Subtitles</b>	\$2.50 each	\$2.00 each	-
<b>Additional Minutes</b>	\$30.00	\$25.00	\$22.50
<b>DVD Copies included</b>	1	2	4
<b>Base Package Cost</b>	<b>\$175</b>	<b>\$300</b>	<b>\$450</b>
<b>Additional DVD Copies</b> At time of original order	\$6.50 each	\$6.50 each	\$6.50 each

**DigaPix** memorial videos assume the use of 10 photos per minute of video. Additional photos will result in an additional charge for each photo used. Additional minutes above the length of the base package will also incur an additional charge.

If you don't see a package that fits your needs **DigaPix** can provide custom editing services for \$50 per hour plus the cost to scan pictures.

You can provide your own music or **DigaPix** will add a soundtrack performed by Portland Oregon pianist Sally Harmon. You can preview and select your soundtrack choices by visiting Sally Harmon's complete collection at: <http://www.sallyharmon.com>

Panning and Zooming and Scene Transitions (Fade-in / Fade out) included at no extra charge.

DVD's produced will play in most DVD players. DVD's come with a custom printed label in jewel cases.

Customer is required to have ownership and duplication rights for all material supplied to **DigaPix**. Obscene or illegal material will not be transferred.

## Slideshows

**DigaPix** also offers a more cost effective Slide Show product. Slide shows do not include Panning or Zooming on the photos. Included are an opening and closing title. As with our Memorial videos you can provide your own soundtrack or **DigaPix** will add a soundtrack performed by Portland Oregon pianist Sally Harmon.

Editing is done for \$50 per hour. Photos will be scanned at our normal prices.

## DVD and CD Duplication Service:

	Price at Time of Original Order	Price After Original Order (Per DigaPix Master)	Non DigaPix Masters
DVD Duplication (per master)	\$7.00	\$8.00	\$10.00
CD Duplication (per master)	\$6.50	\$7.50	\$10.00
Blu-ray Duplication	\$40.00	\$45.00	Request Quote
Custom Artwork Set-up Fee (per disk master)	\$10.00	\$10.00	\$10.00
Master DVD from digital file(s)	\$40.00/hour *		
Master Blu-Ray disk from digital file(s)	\$50.00/hour *		

\* Cost to create a disk master is based upon the time to it takes to create the master not the playing length of the video(s)

DigaPix uses DVD-R and CD-R disks that will play in most of the newer DVD and CD players. Disks come with custom printed labels, using your artwork, in clam shell cases. Other packaging options are available for an additional cost.

## Audio Cassette to CD

\* Files will be transferred to a flash drive. Customer can provide their own flash drive or **DigaPix** can supply one for an additional cost.

\*\* Cost to create a disk master is based upon the time to it takes to create the master not the playing length of the video(s)

Video and Photographs from Cell Phone and Memory cards requires the hand assembly and review of each video segment or photograph. This is to ensure that each item has been properly rotated and sized to fit properly on the screen. This is why the service is priced on a per hour charge and not as a fixed price.
